H&I Reports Mark says things are going well and is trying to get a speaker to come in to the jails every 2 weeks. Jason's retreat: nobody was going to Jasons so they were about ready to give us up but the members were fired up about NA. More clients are getting interested. Jason's H&I suggested last month that we maybe do one big co-ed meeting. Still need to check in with that to get perms.

Capistrano is going well, had to cancel one day but last week there were many girls and we had a great meeting. Girls are showing up and even mommy house came over to attend the meeting. The women's house is passionate.

Mommy House attendance is bare but good. Things are still going well. No word about freedom house.

Salvation Army isn't here.

Crestwood had a change of personnel so there was a communication hiccup but overall things are going well. At both facilities. Getting between 6-8 members at one and 8-10 at the other site. It is challenging to carry the message to those struggling with mental health but there are few men that are asking about sponsorship and literature after the meetings. WE MAKE A DIFFERENCE OVER THERE AND THE FACILITY IS HAPPY WITH US.

Seana reports she is looking for someone to volunteer for the Stand Down event in October 4th. Is bringing it up to meetings.

Back order for the literature orders, will order some meeting schedules and IP's. Someone else to pick up the order. Tom will be unavailable.

Rack Route is all good and will refill the route when they get back into town. To take pics of the space for the QR code mentioned in previous conversation.

Phone line is about 3 to 5 calls a week. Lighter volume at the moment.

WASCO PANEL we have a new warden so everything is changing again. CR is there because the prior warden approved that, but once the director's audit is done, will ask again about bringing NA in there.

Spaghetti cook-off to be discussed. Holiday Dessert cook-off mentioned. Will probably ask area for money to prep this. Will make the Spaghetti cook-off for October 24th at 3316 Laverne. Possibly 3pm. Discussion about having a speaker AND/OR having a Q&A panel from all the trusted servants in PR. We provide noodles salad and bread and water. BYO SAUCE.

Motion to close at 650pm
