Michael says gold coast is doing well but that people are getting their commitments and then not showing up to them, but other than that all is well.

Justin reports santa Barbara has area inventory happening later this month. Everyone is working very well together.

Tomas gave kern county area minutes report.

Michael made motion Mariel seconds made to create an adhoc committee to establish qualifications and duties of the proposed officer position.

Decision making procedure. Is clearly defined as only rcms are able to make motions. SO we reviewed the guidelines and figured out we may need to reword article X section 1.1.

Potential timeline guide. Dennis presents a proposal for March 2027,

- RD is asking Areas if they would be willing to host the next Regional Assembly

Regional service committee meeting 9/20/2026

- The traditional date would be the 3rd weekend in March.
- That this be added to the guidelines for the purpose of fulfilling the annual event from here on out.
- RD is requesting that election process be re-evaluated. As was stated in last months minutes, New Delegate would be newly elected RDA to have Conference Participation web meeting, wsld, wszf, and learn to report writing experience immediately preceding the physical WSC. As do all other regions within the zone.

The last bullet is tabled for next month's meeting. But we need to hear the areas voices. And if any area or group would be willing to HOST THE NEXT ASSEMBLY.

Mariel has made a written motion to add annual inventory to the first quarter of the calendar year for the purpose of evaluating the effectiveness of the RSC in fulfilling its stated purpose, functions, and responsibilities to the areas it serves and in supporting the primary purpose of NA. some discussions about it, chair suggested we change one of our business meetings to an inventory day, to the first in person business meeting in January. Distribution of Inventories to the groups at the end of the year in October, rcm's to collect inventories in December, then we review them in January. Guideline changes will reflect in the policy of action as well. Ask to see the motion if interested! Election is in January too so the first mtg of the year cant just be just an inventory. There were no objections to doing them on that same day but for now, More Will be Revealed.

Next meeting sunday October 11th 1130 am 801 south A street Oxnard California.

Tomas motions to close at 1116am
