

ASC Sept 2022

The Conference Approval Track (CAT) will be available soon. The CAT is a list of proposals from around the world, put out by WORLD, for specific changes in different zones/regions. Since the NA structure is designed to work from bottom to top, meaning that the decisions come from the group levels, the CAT will need to be voted on by the groups. GSR's will need to have a copy of the CAT, take a group conscience vote on the proposals, and attend the Regional Assembly put on by your region to share the vote for your group. **I cannot stress enough the importance of this.** This is one of the most important roles that GSR's entail.

The Regional Assembly will be taking place around March of 2023 at Sierra Christian Camp. Food and lodging will be provided by your region. You only need transportation. It is an entire weekend of fun, fellowship, and learning. It is suggested you start to prepare for this.
