Webmaster Report – Jan 19, 2025

Dear committee members,

In the last few weeks, I kept making updates on the website as I received them.

There are two important ones I want to highlight:

1. WSZF page:

Ron, Dennis and I worked to create t-shirt sales, room booking and taco bar registration pages. You can find all the details here: <https://ccrna.net/wszf2025/>

2. Interactive WSC tally sheet:

Following Dennis' suggestion, we created an interactive tally sheet for WSC motions which can be accessed via this page: <https://ccrna.net/rcm-gsr-hub/> (Orange button)
