

RCM Report Oct 18, 2020

RSC met via zoom. The full reports summarized can be made available, if needed.

RCM Report, Mike H & Dennis D

Our RD & RDA attended WSC 2020, Part 2 via zoom, in August. They tried to get through the agenda still remaining after the sessions in April. Most of the motions were discussed and voted on during this session. Any motions not voted on may be rolled over to WSC 2022.

WSLD will be totally virtual, via zoom, Nov 20-22. It will have more than 1 “class” at a time, depending on your interest. Go to WSLD.org for more info and to “register”. This is so they can have an estimated attendance and to have your email for contact with the zoom room info (keeps the trolls away).

PR Report. Mike R

PR met via zoom Oct 11th. Mike reported there is still work to do on the BTWS guideline revisions. Becky W is the new BTWS representative. They need men to step and sponsor inmates. Also, our committee is working on a presentation for WSLD in Nov!

The webservant has a separate report.

CCC&E, inc

Mike H gave report for Jack S.

Committee has been meeting virtually each month to plan our Convention “Speaker Jam” ready for February. If you plan on attending, please email admin@ccceinc.org to receive meeting ID’s, etc. More info at ccceinc.org

The committee is looking for artwork/concepts for future conventions. See your RCMs for more info on where to submit.

Treasurer Report, JD

JD presented a report that covered all of 2020, showing a summary of expenses and income since Jan 2020. Areas are reminded that donations are still needed and can be sent to our Regional PO Box at:

CCRNA Treasurer
Box 1206
Ventura, CA 93002

Webmaster, Matt R

Matt has met with Area webmasters to begin training on using the BMLT to fine-tune schedules for each Area. He is available for speaking to Areas who wonder why change things. Much of the Fellowship in the US uses BMLT for meeting look-up. It was developed by a couple of members, who did it because they could make it easier to find meeting when you’re in unfamiliar territory.

Matt continues to work on the new website.

Elections/Nominations

Nominations are still open until Jan 2021, but initial nominations:

Chair: Danny W

Vice Chair: Dawn S

Treasurer: JD

Vice Treasurer: Greg H

Secretary: Mike B

Alt Secretary: Open

Old Business

Mike H asked about financial support of the Western Zonal Forum; it meets annually with RD & RDAs from the Western States. In January 2019 this Region sent \$300, but just the one time. Further investigation found in Jan 2019 minutes for the initial donation. It wasn't clear if it was to be annually. RD report from Jan 2019, clarified it to be an annual request. We will revisit in Jan 2021 as part of the annual budget.

New Business

Danny wondered about a single phone number for the Region. More will be revealed.
