

Central California Region of Narcotics Anonymous

This is your RD team report with as many revisions as possible, to catch you up with the most current information available to the fellowship and our members. AS always, any and all information given, is available on the NAWS website, www.na.org.

Our next stop will be the WSZF (Western States Zonal Forum) being held in Fresno CA. We are requesting funding for this event and will be leaving this Thursday and will extend till Sunday Jan 28, 2024. Here we will be reporting our progress for the year 2023, getting the latest updates from Naws and addressing our current work groups established by the Zonal Forum. Our next Zonal Planning Workshop is March 9, 2024, 11am-1pm and 2pm-4pm. For more info go to www.wszf.com

As discussed at our last meeting, Gold Coast Area has agreed to host our Off-Conference Regional Assembly March 30, 2024 from 10am to 5pm @ Community Presbyterian Church 1555 Poli St. Ventura CA 93001. An agenda has been created and we have invited Naws to help support the event. This event has included food for all attending GSR's, RCM's, Regional Service Body, and NAWS Staff. The intention is to minimize the distractions and create a physical sense of unity. We need to discuss support by this body and create a flyer!

In short, we are hoping to get the GSR's from all five Area's to help forge our future by developing ideas from these 2 current IDT (Issue discussion topics), directly formed from our last WSC motions. The project plans in discussion are #1. Gender Neutral and Inclusive Language in NA literature. #2. Disruptive & predatory behavior. These are not only what rose to the top of the topic category as a priority but are so very valid in today's world of Narcotics Anonymous. We still need to get a head count for our final numbers at the facility.
