

## Central California Region of Narcotics Anonymous RD Team Report

Here are the latest updates as of today. Please contact us with any confusion or misunderstandings in our reports. It is important that we relay accurate information to the members we serve. All of the information relayed here is found at [www.na.org](http://www.na.org). Thank you!

Top of the list are twelve motions released for fellowship review. [www.https://na.org/wp-content/uploads/2024/11/2025-Interim-WSC-Report-1.pdf](http://www.https://na.org/wp-content/uploads/2024/11/2025-Interim-WSC-Report-1.pdf) The explanation of these motions is to help simplify and exercise new techniques of Interim WSC practices. Please try to read and understand each motion as written. The first five (5) are necessary housekeeping motions to help streamline business at the Physical WSC in May of 2026. This is an opportunity to engage our groups in knowledge behind the scenes operations, normally not understood by our newest members. Hopefully we can set aside group or area workshops to discuss how valuable the member/group opinions matter as described in our 12 concepts. The RD team is open to engaging in Zoom or Physical assistance with understanding and performing your own work groups. Bear in mind, we are currently preparing to host the WSZF and may have limited physical availability. We also plan on providing a Region Workshop on Motions @ our Annual Regional Convention held in February in Bakersfield. Reminder: please be mindful that we take these positions with the purpose of providing what the member/fellowship want's for our future. We can only vote on these matters based on the input we receive from you directly. Without that input, it becomes what we decide. This is not why we do this type of service. Please remind all GSR's that we need as much input as possible. We are working on an electronic version, but until then, download the Talley Sheet for each Group/ Member that is available and **BRING IT to our Next Physical Meeting in January, or Text or Email to the RD Team!** Thank You!

WSZF (Western States Zonal Forum) [www.wszf.org](http://www.wszf.org) Simply this is an Annual Physical Mandatory Meeting of the 13 Regions that are implemented in the boundaries within the Western States Zone. Western States Zone is 1 of 14 Global Zones in the Narcotics Anonymous structure. We are a proactive zone with no fund flow (at this time) that oversees the strengths and struggles withing the zone and discusses ways to become more productive for our local fellowships. We are also asked to help sustain and expand our Fellowship Development through PI, PR, H&I, and Behind the Walls efforts.

We are honored with the opportunity to Host the WSZF and will need a regional support to be provided. Our local activities will be coordinating many of the details and could always use your help. Please contact Glenn W. Chair (805) 749-8451 or @ [www.naventuracounty.com/activities](http://www.naventuracounty.com/activities) for more information. A local flyer will be circulated soon and posted on the [www.ccrna.net](http://www.ccrna.net) website.

In addition to the information provided, is the rising cost of expenses to hold an event at any of the local hotels. We are negotiating with the hotel the details of rooms, meeting room, food and activities surrounding this event. If anyone within the region is interested in aiding with the obligation of filling the room night obligation, please contact Dennis D. @ [RD.CCRNA@gmail.com](mailto:RD.CCRNA@gmail.com) for the hotel link. We will receive credit only if you are to use this link provided by the hotel. Room per night is \$219 ++ for an inside room. And \$229++ for an Ocean View room. This will help keep our cost of hosting to a minimum. This will also offer an opportunity to experience firsthand how dedicated the Delegates are to serving in this capacity. We are seeking our future Delegates by exposing this event to the members. Serving on a global level is an extremely rewarding opportunity. In addition to providing means for support, we are offering WSZF & BTWS Tee Shirts. This will provide monies to offset the overall cost of the event, and the left-over funds can help provide “Books for Crooks” in the Behind the Walls Sponsorship. Tee shirts are \$25.

The RD team joined a CP Web Meeting on Dec 7, 2024, for all the latest information on our current status and updates on the upcoming Interim WSC. We are still encouraging **All Members to Please** fill out the **Membership Survey** available at [www.na.org/survey](http://www.na.org/survey) . While you are there, please browse around at the many valuable resources available. Here you can download free literature and get caught up with our current info in NAWS News. Please check out the newest edition of writing step work through the Survival Guide! This is a special edition and, in my words, a Home Run for the latest addition to our library. This can be easily found at [www.na.org/webstore](http://www.na.org/webstore) .
