

Central California Region of Narcotics Anonymous

RD Team Report January 2026

We encourage every member to go to www.na.org/survey and participate in the 3 current surveys. This will help NAWS work towards what the fellowship's current views are regarding future project goals for the next WSC cycle.

NAWS News is currently available at www.na.org/newsnews and the current info on the World Service Conference (WSC), price increases, and how to get involved by attending the many different webinars. The next WCNA is potentially being held in Europe. For information on how to become an employee for the NA World Service Office and for the latest updates go to www.na.org/news-reports/news-update/ .

The Conference Agenda Report (CAR) is available at www.na.org/conference, you can now use either a Power Point presentation or video to better understand the current motions. We are slated to attend the next Regional Committee Meeting at 605 East Chapel St, Santa Maria, CA 93454 on Jan 18th 2026, at 11:30 am. All members are encouraged to attend. The RD team will be attending the annual Western States Zonal Forum (WSZF), at Renaissance Palm Springs Hotel, Jan 22-25. Then, on Feb 3, 2026, the Conference Agenda Track (CAT) will be released. We, the RD Team, will make ourselves available for any Area body that requests our presence to come speak directly to the GSR's for any clarity, or questions they may have as a result of the motions release. We will also be available at the 34th Annual Convention for the Central California Region on Saturday Feb 21, 2026. Our vision and goal as the RD Team is to Inform as many GSRs as possible in the CCRNA Region and collect at least 200 tally sheets by April 1, 2026. This way we have an accurate consensus to carry this region's group conscience. We will be submitting our conscience for the WSC Straw Poll Vote on April 18, 2026.

NAWS has posted the dates and times of various regions globally that will be hosting Regional Workshops on the motions.

Please remember...Groups submit ONE motions tally sheet per Group. Please remember to label the name, the date and time, and the area the meeting is submitting for. Any individual member can participate in the CAR survey and answer those questions without identification.
