Here are the latest updates as of today. Please contact us with any confusion or misunderstandings in our reports. It is important that we relay accurate information to the members we serve. All of the information relayed here is found at www.na.org .Thank you!

Top of the list are twelve motions released for fellowship review.

[www.https://na.org/wp-content/uploads/2024/11/2025-Interim-WSC-Report-1.pdf](https://na.org/wp-content/uploads/2024/11/2025-Interim-WSC-Report-1.pdf) The explanation of these motions is to help simplify and exercise new techniques of Interim WSC practices. Please try to read and understand each motion as written. The first five (5) are necessary housekeeping motions to help streamline business at the Physical WSC in May of 2026. This is an opportunity to engage our groups in knowledge behind the scenes operations, normally not understood by our newest members. Hopefully we can set aside group or area workshops to discuss how valuable the member/group opinions matter as described in our 12 concepts. The RD team is open to engaging in Zoom or Physical assistance with understanding and performing your own work groups. We also plan on providing a Region Workshop on Motions @ our Annual Regional Convention held in February in Bakersfield. Reminder: please be mindful that we take these positions with the purpose of providing what the member/fellowship want's for our future. Please remind all GSR's that we need as much input as possible. We now have the interactive tally sheet on our GSR/RCM page on the regional website.

The Western States Zonal Forum is less than a week away. Flyers are being distributed. The purpose of the event is to conduct annual business for the Delegates within the Zone. This will have an opportunity to meet Delegates from all over the west side of the states. All members are invited to attend meetings but will be asked to refrain from asking questions until the close of the sessions. On Saturday January 25, 2025, around 4 pm the fellowship will be encouraged to participate in an interactive workshop focusing on Service in order to motivate action in Service.

Merchandise and event food tickets are available through Activities, or the Regional Website www.ccrna.net under the event page. You can pay electronically. We have a WSZF 2025 Tee Shirts for \$25, Behind the Walls Sponsorship Tee Shirts \$25 that will be available for pickup at the event. Taco Bar meal tickets are also available for \$25.

NAWS asked us to let the fellowship know they have a lot of WCNA 38 merchandise left over to sell, they are selling at a greatly discounted rate online at www.wcnashop.com. Also, the 2024 membership survey deadline is January 31, 2025 at www.na.org/survey
