WSLD (Western Service Learning Days) Event was a huge success and offers many different approaches to aid in service to our communities and fellowship. The www.wsld.org also offers valuable resources, past and future events and guidelines. The next WSLD will be held in Reno NV Sept. 18-21, 2025 @ the Sparks Nugget Hotel. WSLD also is where the WSZF holds 1 of 2 physical (in-person) annual meetings.

Meeting Report: This is an informal meeting; this body does not make any formal decisions at this meeting.

WSZF is currently a voting member of the US Collaboration of Zones. If you need to know more about the current movement of this effort, please go to www.usa-na.org they are currently seeking regional support.

IT workgroup efforts are paying off. Our region is currently participating in the BMLT and YAP phoneline benefits. These are helpline and meeting locator platforms that greatly simplify addicts seeking recovery at a minimize financial impact.

We will be hosting the WSZF (Western States Zonal Forum) January 23-26, 2025 @ the Crown Plaza Hotel 450E. Harbor Bl. Ventura CA, 93001. Here we will be conducting formal business and will allow the fellowship to attend but will be restricted from participating during the course of business. There will however be opportunities to ask questions.

The primary reason for our region to host this event is to inspire and encourage motivation in fellowship service efforts. We will have an opportunity to spend time with members who serve on a world level, by transporting to and from the airports, local meetings, and supporting our hosting region to welcome them!
