

Central California Region of Narcotics Anonymous RD Team Report

Here are the latest updates as of today. Please contact us with any confusion or misunderstandings in our reports. It is important that we relay accurate information to the members we serve. All of the information relayed here is found at www.na.org. Thank you!

To begin with, we apologize for the absence at our next CCRNA Quarterly meeting. We will be attending another physical Quarterly Zonal Meeting @ at the WSLD Event in Tuscan AZ Oct. 18-21, 2024. www.wsld.org

The WCNA38 is over, and it is time to get back to work. Briefly, NAWS has submitted a full report on the overall outcome of the convention. If you would like to view this report, please contact your RD Team for a copy. Also, a quick reminder, you are encouraged to get and stay involved in the constant flow of information and surveys that help redefine our fellowship and keep it updated and fresh. We need your experience and input. If you already haven't, please sign in to www.na.org and subscribe and you will be added to the email circulars and be informed as events and info is being relayed.

While you are on the NAWS website, hover over *Service Resources* and click on *NAWS Projects and Surveys*. WE highly encourage you to fill out the current member survey, for the purpose of updating our current database and fellowship numbers. While there please take a minute to fill out the other surveys available, Survey on Step Material and you input on the current IDT's. (**Gender Neutral and Inclusive Language in NA Literature, Disruptive and Predatory Behavior, DRT/MAT as it Relates to NA: Helping Members take Root. And the latest is Reimagining and Revitalizing Service Committees**).

We are one month away from the release of the – Interim CAR/CAT motions posted. Before the release is available, we might want to remind your home groups to discuss creating an event to generate awareness of the upcoming Motions decision. The RD Team will make themselves available to discuss the motions to anyone/group desiring as long as we are given advanced notice. We can also provide a Zoom platform for presentations.

The Annual Meeting of the WSZF (Western States Zonal Forum) www.wszf.org is being hosted by the CCRNA (Central Calif. Region of NA) January 23-26 at the Crown Plaza Hotel @ 450 E. Harbor Bl. Ventura CA 93001. The contract is being finalized and signed this week. We are being asked to provide a security deposit soon after the signing process. The event is primarily designed to conduct business on behalf of the WSZF and is closed to participation outside of the RD's and RDA's within the Zone. However, the fellowship is encouraged to join us during the event. You are welcome to witness firsthand. Since this is a few months out, we (the RD Team) are encouraging the local fellowship or activities committees to maybe create some sort of way to welcome our guest by doing a game night or speaker meeting involving our guest to speak, or ??????. Ventura usually experiences a more inviting weather conditions than the Regions that have hosted in the past. In Alaska we experienced 40 below zero temperatures. Also, we are most fortunate to be at the center of the Zone, making travel a little more affordable to most travelers. Next is showing off our hospitality by asking members to help transport members to and from the local airports, hotels, and meetings. Let's make this event memorable for all!
