
Central California Region of Narcotics Anonymous

This is your RD team report with as many revisions as possible, to catch you up with the most current information available to the fellowship and our members. AS always, any and all information given, is available on the NAWS website, www.na.org.

Not much has changed since the report that was posted on Goggle Groups was posted at the end of the WSC. All of the final results are available @ www.na.org. Just type Conference results in search bar. Also a copy of Naws News was released last week, and I would encourage everyone to subscribe to Naws News for the latest on information and events happening throughout the world of NA.

WCNA 38 will take place in Washington, DC, in 2024: from 29 August to 1 September. The theme is The Power of Love. We are not sure when we will go on sale, but it won't be before the last quarter of this calendar year. Members who want the latest information should subscribe to one of our email lists; doing so will ensure they get NAWS Updates: www.na.org/wcna

With the passing of Term Lengths of the Delegates, we need to address timelines, financials, and Guidelines changes. It will be beneficial to address these items soon. Also now would be a good time to announce that we are seeking our next Regional Delegate Alternate and Regional Delegate. Elections are traditionally performed in March, during the off-conference cycle @ our mini regional assembly. Please carefully consider if you or your nominees have reviewed term length, time off work, travel considerations, and primarily the amount of time you need to engage for reports, and study it takes to effectively perform this position. We are honored to spend the time to guide and explain the process.

Moving forward, so we can continue to prepare for our future, we need to submit a proposal for the upcoming event and included in one of our quarterly meetings. This will be the WSLD being held in Anchorage Alaska, Nov 10th-13th 2023. All of the info needed for this event is available on wsld.org. We would also like to encourage our regional members to come join us, in support of our Zonal Efforts to unite and support our fellowship! Flyer is available on WSLD.org.

Our Zone WSZF (Western States Zonal Forum), met May 3, 2023, @ the WSC for the purpose of continuing to serve our Regional Body's that support us. We opened with our current budget. Followed by establishing a 501(C)3-work group, for the purpose of financial benefits to the regions within our Zone. Next was a report from the IT Work Group & Technology. Very simply put, IT is performing many different changes to the website based on current demand and success of the various PR, H&I and Behind the Walls service committees. Revitalizing H&I and PR Task Force Report...many of the efforts designed by the team are being successfully used by other Zones and Regions. Behind the Walls Work Group is working with the IT Task Group to create the various links for the full operation of the initial intentions of the committee.

Nominations for the Zone was performed, Elections are engaged in July @ our next virtual meeting.

WSZF Western States Zonal Forum is Jan 25-28, 2024, in Fresno CA. More will be revealed.

Next item for discussion and thought is the efforts of the Zonal support! Since our involvement with the Zonal Forum, we have been addressing various ways to, not only break outside of our usual ways of looking and conducting business, in behalf of NA as a whole, but also implementing ideas and best practices to economically aide our efforts. With insurance, meeting locators, phone lines, Fellowship development, PR, and H&I, Behind the Walls Sponsorship collaboration. If you go to wszf.org, you will find many different pages of information videos, and ways to connect to technology to help financially by creating services we can all share the cost and benefit from. Please help by sharing this growing effort with our members. We no longer have to be restricted to just our local websites. We can eventually connect to one site that can connect us to everything we already seek. WSZF.org

Please get involved. The NA as you once known is Dramatically changing, as the world changes! We are utilizing as much effort as possible to get and pass on the information. Your questions and concerns matter, if your Members, Groups, or Areas have concerns or questions, please contact us. We took these positions to better serve your communities and can only do so if you let us know your needs.

Thank you for allowing us to serve in this capacity!!
